The Vision

The Lyttelton Well was opened in April 1993 with the vision of providing a Christian Centre in the heart of Great Malvern serving the people of the town and beyond. That vision remains the same today.

Lyttelton Well supports and is supported by all the churches in Malvern and is actively involved in Churches Together in Malvern.

The Lyttelton Well was founded on prayer: today, prayer is still at the heart of everything that we do, and every morning, before we open the Café, we have a short period of prayer and quiet reflection.

Our outreach work in the community includes our Counselling Service, The Well Counselling, as well as our work with Malvern Hills Foodbank, for whom we are a collection and distribution centre.

The Lyttelton Rooms provide a venue for a variety of community-related and religious activities.

Our hope for the future is that you will find the Water of Life at the Lyttelton Well. We believe that our future lies in the hope of the Christian faith, the resurrection of Jesus, who died and rose again so that we may live in a relationship with Him. The inspiration of His life here on earth and the comfort of His abundant and unreserved love that He freely offers to everyone.

He offers us a fresh start, new opportunities. He gives us the strength to live. He satisfies the deepest spiritual thirst of all who come to Him.

If you would like to know more, please speak to one of the team and they would love to share more with you.
