The Vision

The Lyttelton Well opened in April 1993 with the vision of providing a Christian Centre in the heart of Great Malvern; serving the town's people and beyond. That vision remains the same today.

Lyttelton Well works in partnership with Churches in Malvern and is involved in Churches Together in Malvern.

The Lyttelton Well was founded on prayer; today, prayer is still at the heart of everything we do. Every morning, we pray for the day and those we meet.

Our outreach work in the community includes The Well Counselling and providing a collection and distribution centre for the Malvern Hills Foodbank.

The Lyttelton Rooms are available to hire and are used for a variety of activities.

Our hope is that you find the Water of Life at the Lyttelton Well. We believe that our future lies in the hope of the Christian faith. Jesus, the son of God, who died and rose again so that we may live in a relationship with Him. The inspiration of His life on earth and the comfort of His unreserved love that He freely offers to everyone. He gives us the strength to live. He satisfies the deepest thirst of all who come to Him.

If you would like to know more, please ask to speak to one of the team.
